## PASTURE BOARD CONTRACT

---

### Initial

I understand that all board, to include additional fees such as supplements, medicines, optional services, must be paid monthly and in advance. I hereby grant a lien to stable-owner for all unpaid charges. Lien activates on the 20<sup>th</sup> day of the month board is late.

This horse, to the best of my knowledge, has not been exposed to any contagious or infectious diseases for 1 month prior to boarding.

**In case of emergency** stable management will contact owners first and horse's veterinarian second. If stable management is unable to reach either party I consent to treatment by stable management or alternate veterinarian.

Every precaution is taken to protect the horse from injury, illness, accident, fire and theft. The stable owner and/or stable management shall not, while exercising reasonable care, be held responsible for accident, injury, illness, fire or theft.

I agree to give no less than **30 days paid notice** prior to leaving Whistle Stop Stables and will not receive a refund for any unused portion of pre-paid board.

I understand that the worming program requires all horses to be given daily feed-thru wormer and paste-wormed with a praziquantel wormer twice yearly during spring and fall shots. I agree to provide the barn with my own daily wormer of any brand.

I agree to follow the rules and policies at all times and to be responsible for guests and their behavior. No guest may ride my horse without having first signed a Release of Liability.
